My favorite city is Abha. It is a small city with wonderful trees and parks. It is so cold. There's a famous city "High City" I can visit the Art Street and climb the Souda Mountains. I like its clean air and quietness. I like the hills and the old brown buildings, but I don't like it in winter. People can protect its environment by not throwing trash in its national parks. There is an argument that the legal driving age which is 16 years old in some countries, is too low and this causes an unacceptably high level of traffic accidents. Raising the driving age, would ensure young drivers are more experienced and less prone to road rage, which can put other road users at risk. Most teenagers are immature. For this reason, they are not responsible drivers.
