The best place to shop for a bargain is a yard sale. Many people in the U.S. have yard sales. They gather things from their home that they don't use anymore and put them out in the front yard for other people to buy. You can buy almost anything at a yard sale, but there are usually clothes, appliances, toys, furniture, and DVDs. Usually these things are in good condition and the owner just doesn't need them anymore. Items at a yard sale are usually very cheap, so you can get good bargains. Hi Jeff,

I'm writing to you from Canada. We are having a great vacation! Today we went to Niagara Falls. Attached is a picture I took. Isn't it amazing? Niagara Falls is the most popular place to visit in Canada. It's not the biggest waterfall in the world, but it's very wide and beautiful.

I think Canada is the prettiest country in the world. It's great to be here in the fall. The leaves on the trees are more colorful here than at home. Of course, it's also colder here. I'm glad I brought my warmest clothes!

Bugs that live on land are not very different from bugs that live in the sea. Many people think that shrimp, crab, and lobster are really just "sea bugs." And like sea bugs, land bugs are good for you. Many contain protein, iron, and calcium- nutrients your body needs to stay healthy.

Dave Gordon is a famous chef in the United States. He is called "The Bug Chef." He has written many books about why everyone should eat bugs. He says that grasshoppers, for example, have a lot more protein than chicken or beef. Also, bugs are an inexpensive food. They are everywhere! He wants Americans to eat more bugs. He travels to different places and shows people how to cook with them. Many people are surprised to find out that they can be delicious!

Most people in the U.S. are not ready to eat bugs yet. But in the future, when beef, chicken, and fish become more expensive, this may change. Then we will have to find a new strange food to eat!
