My favourite chore is the windows. I clean the windows in our flat every week,' she says. Her friends think she's crazy but her mum doesn't, 'Alison is a real treasure,' she says.

Megan Roberts plays computer games, reads magazines, watches TV and does her homework every day. But she doesn't want to do housework. 'My room is often a mess but I like it like that. Anyway, I'm usually very busy. I haven't got time for chores,' she says. But her mum doesn't believe her. 'She's just lazy.
